

# About genuine proof

About BEAUTY BAR® KITTY shipping overseas" Solid Co.,made a business alliance with the Japan Distribution Management Support Organization(JDMSO) (<https://jdmsso.jp>).

We will offer the following by partnership.

- Proof of genuine products and fraudulent distribution management will be carried out using authentic certified hologram 'HiddenTag\*.
- We will manage distribution channels using distribution control tags. (QR code)

We will stick the following seals sequentially from overseas shipment.

They all have different identifiers and manage them as two or more unique information.

As for this product, it will be shipped from Solid Corporation.

We will provide access logs and customers reports to each country's customs clearance ,and curb the imitation, as well as the infringement of copyright and portrait rights of illegal behavior, to ensure the interests of consumers, sellers and product.

When imitation etc is found, we will respond to fraudulent distribution including invalidation of code included in the distribution code.

Download genuine certification hologram confirmation application from QR code below.
